Leave your project in good hands...
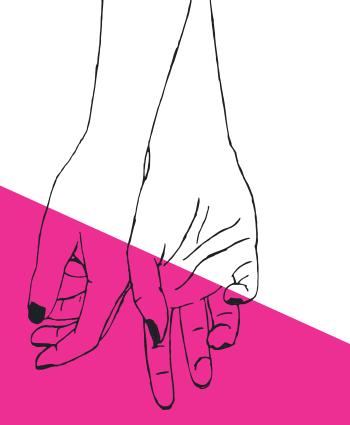

GETTING STARTED

Packages and prices

How we work?

PACKAGES

We offer full range of print and digital design projects. Check out our basic packages or let us know about the project you have in mind.

FULL PACKAGE   – from 1.600 EUR

This offer includes **full company branding.** Starting with Visual Identity, where we are setting suitable **color pallet and typeface.** Afterwards we are going to develop and **design professional logo** (three versions) and basic **page layouts.**

In full package you are going to receive **Website** (Basic, Professional, or Web Application – see features on the next page) with responsive layout, meaning that it will be suitable for all of the starting with phone, tablet and desktop screens. Content of the website will be based on **CMS system (WordPress)**, it will be easily editable. What is more, one hour website managment course is included.

Print materials such as business cards, flayers, business papers, poster and sticker are also included. From design till physical product, all in one place.

Price may varies, it depends on features of the website, corrections, and if it comes to print materials it depends on quantity of the order.
